For more than 60 years, Simpson Strong-Tie has focused on providing powerful solutions to meet our customers' needs.

We offer a full array of anchoring systems for residential, commercial, infrastructure and industrial uses — from anchoring adhesives and mechanical anchors for anchoring applications in concrete and masonry to direct fastening solutions for attachments to concrete, steel, CMU, or steel deck.

The innovative products featured in this catalogue are the result of more than 40 years of research and development, and have passed the rigorous quality-assurance testing you have come to expect from Simpson Strong-Tie. With our expanding lines of high-performance anchoring products, engineering and field support, product testing and training, we are committed to giving you the power to build.
