

Fasteners — When Performance Is Critical

Driven To Exceed Expectations

In the fastener marketplace, Simpson Strong-Tie stands apart from the rest. Quality and reliability is our top priority. That's why we hire PHDs, metallurgists, materials engineers, and structural engineers to create the best possible fasteners. Each production run goes through rigorous testing to ensure our products can handle higher loads, resist corrosion, and make installation more efficient. It's the reason builders trust Simpson Strong-Tie.

For more information about custom fasteners or how we can contribute to the success of your next project, please call to speak with one of our knowledgeable, trained fastening professionals.
